Question 124

Al**ty S***a

Hello Saurav,

Can u please update me regarding the IN upgrade to BC version, if any toolkits please let me know.

#bcoappenddiscussion

Question 125

Tabrez Ajaz

How to handle multiple customizations based on Companies?

Let's suppose I have multiple extensions, and the customizations are different from company to company in one company I want to show or hide something on a customer card or some new pages that should be visible in one company but not visible in another company, please give some idea about this!

#bcoappenddiscussion

Follow Up.

Dasharath Gagiya

- *Send To button Restrict on report request page.*

#bcoappendiscussion

Application
