Organized By: Gulshan Shubham

Package No.   Balaji

Package No. In Inventory Setup?

No References.
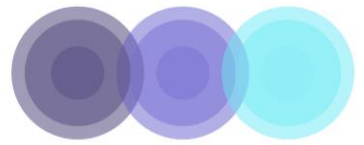

# Question 110 Balaji

1. The Focus Mode on page, gets disabled when the page is run using RUNMODAL function. Any workaround available to have the Focus mode.

How Do I? Vijay

Change the Sender Email Address via Sending Email from Business Central.

```
local procedure QualifyFromAddress(EmailScenario: Enum "Email Scenario")
var
    TempPossibleEmailNameValueBuffer: Record "Name/Value Buffer" temporary;
    EmailScenarios: Codeunit "Email Scenario";
    MailForEmails: Codeunit Mail;
begin
    OnBeforeQualifyFromAddress(TempEmailItem);

    if EmailFeature.IsEnabled() then begin
        // In case the email feature is enabled,
        if not EmailScenarios.GetEmailAccount(Ema
            if EmailScenario = Enum::"Email Scena
                Error(NoDefaultScenarioDefinedErr
            else
                Error(NoScenarioDefinedErr, Email
        exit;
    end;
end;
```

```
    ClearLastError();
    Cancelled := false;
    if not HideMailDialog then begin
        Commit();
        MailSent := Email.OpenInEditorModally(Message, TempEmailModuleAccount) = Enum::"Email Action"::Sent;
        Cancelled := not MailSent;
    end else
        MailSent := Email.Send(Message, TempEmailModuleAccount);

    if not MailSent and not Cancelled and not HideEmailSendingError then
        ErrorMessageManagement.LogSimpleErrorMessage(GetLastErrorText());

    exit(MailSent);
```
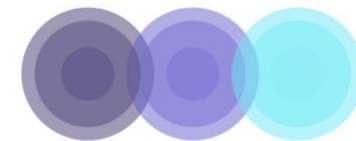

Field Monitoring

To add a layer of security, you can monitor important fields and be notified by email when someone changes a value.

Works Closely with Change Log Entries.

Use with Caution!

Use Retention Policy Feature when you enable Field Monitoring.

Field Monitoring Assisted Setup Guide

Let's Get Started

If you have specified data sensitivity classifications for fields, you can add the fields based on their classifications.

If you have not classified your fields, you can add fields and manage settings for individual fields on the Monitored Fields Worksheet page.

View Data Classification Worksheet

Sensitive

Personal
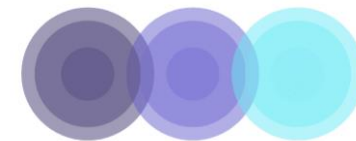

Company Confidential
